

Professional Licensed Land Surveyor – St. Louis, MO

ABNA is seeking a **Professional Licensed Land Surveyor** for our [St. Louis, MO](#) location. This position requires knowledge and experience in surveying, topography, and boundary and easement plats. This position will either be a Licensed Land Surveyor in the State of Missouri or have the ability to obtain their license in 12-18 months. At ABNA, the licensed Professional Land Surveyor (PLS) will be responsible for compliance with state board rules, regulations, and laws.

Other responsibilities include leading one or more Land Survey crews, oversight of multiple projects, scheduling, budgeting, and client relations.

- Directly manage complex technical Land Survey projects
- Manage projects to ensure completion within schedule and budget
- Manage personnel of 2 to 6 employees
- Adequately schedule field staff to accomplish project goals
- Direct and prepare field crews for construction staking, topographic mapping, and other related Land survey tasks
- Survey related computations, resolutions, boundary plats, topo base plans and exhibits using AutoCAD Civil 3D and Microstation.
- Administrative Tasks: Timesheets, GPS logs, mileage logs, trucks and equipment
- Periodically assess employee performance
- Assist in Bid Solicitations & Proposals
- Demonstrate Commitment to quality and customer service
- Assist the Corporate Survey Manager and other departments managers as required
- Prepare project reports
- Assist with bids and proposals
- Review of deliverables and delivery of products

Qualifications:

- Must have a minimum of 3 years of survey field experience and 2 years office management experience
- Required: Professional Licensed Surveyor in Missouri OR ability to obtain license within 12-18 months.
- Preferred: registered Professional Licensed Surveyor in Illinois and other neighboring states
- Working Knowledge of AutoCAD and Microstation and Field to Finish Survey Procedures
- Working Knowledge of GPS, survey data processing; control networks and adjustments

Success will be measured by: Commitment to quality and continuous improvement through observing schedules and budgets, innovation, creative thinking and improved results; along with the ability to establish and maintain cooperative and productive relationships with all employees, clients and other stakeholders.

Locations: [St. Louis, Missouri](#)

Salary Range: Competitive & Commensurate with Experience

Opportunity to participate in 401k, medical, and other benefits after standard eligibility requirements are met.
